### Our Positions on Boulder County Ballot Measures

*Note: Besides our **voter education** functions, LWV may also take an **advocacy** position on selected proposals. • LWV supports or opposes an issue only if our members have established a Program Position directly relevant to the proposal. • To arrive at a Program Position, members have studied a policy area in depth and come to consensus on certain points. Positions are reconsidered annually and affirmed, revised, or dropped. • We take a “Neutral” positions if LWV members have not studied and reached consensus on an issue, or if we have conflicting positions on a ballot issue.*
